**FREE**  
drought-resistant  
tree

**FREE**  
custom landscape  
design

**UP TO  
\$25,000**  
for your project,  
\$5 for every square  
foot of grass  
replaced

As the drought continues, we need to find creative new ways to save water. That's why West Basin is expanding its water saving program offerings.

Take advantage of these new resources to fix up your home and your neighborhood while helping our communities be SUPER-CALI-FRUGALISTIC!

**Save Water.  
Save California.**

*Priority neighborhoods in the West Basin service area are eligible for this program. Supplies are limited. Please visit [www.westbasin.org/grass-plus](http://www.westbasin.org/grass-plus) for program details and to check your eligibility.*
